WE LAUD . . .

MR. WILLIAM KOZIE

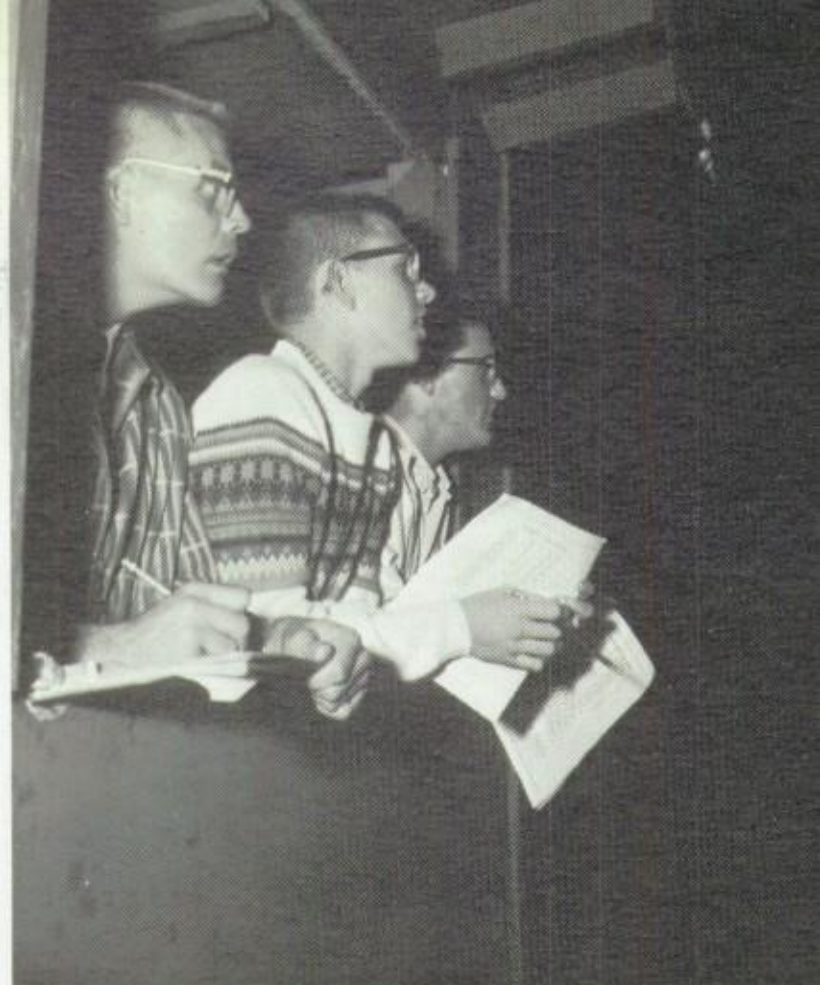

All through our school years we've been told that teachers can be our friends as well as our educators, and you have certainly proved this for us. More than anyone else you have been an outstanding symbol of our last year at Brooklyn.

As sponsor of the Brooklyn Chapter of Mu Alpha Theta, the first nationally affiliated honorary math club in Brooklyn's history, you proved your ability as a leader over and over again.

The success of the Junior-Senior Prom, as well as all our class responsibilities, can be attributed in part to your never-ending assistance.

It is in appreciation of this friendship that we, the Senior class, have chosen you to receive our dedication of the 1965 Eaglet.

At all football games, Mr. Koze is a familiar sight as team statistician for the Brooklyn Hurricanes. An avid sports fan, he is a constant aid to the team, offering both criticism and praise.

Math students are always grateful for extra help and Mr. Koze is always willing to give it. Mr. Koze is a dedicated teacher with a genuine interest in his pupils and their education.

Mr. Koze stands out in our minds as an excellent example of what a teacher should be.

WE THANK . . .

"We can no other answer make but thanks,
And thanks, and ever thanks. Often good turns
Are shuffled off with such uncurrent pay;
But were our worth, as is our conscience firm,
You should find better dealing."

YOUR FINAL YEAR AT B.H.S.

The last year at Brooklyn is undoubtedly the hardest, yet is still agreed upon by all seniors as the best year.

respect them!"

Class sponsors are responsible in the most part for the success of a class and its activities. We are grateful to our sponsors for all the help they have given us as well as their friendship. It is unanimously agreed by our class that without our sponsors it would have been impossible for us to have accomplished what we have.

SENIORS TAKE PRIDE IN THE FINISHED PRODUCT

THE CLASS OF 1965 . . .

PROUDLY

The decorations of the Junior-Senior Prom provided an effective contrast to the formally dressed couples who danced through the night to the music of Lou Elgart and his band. The Egyptian atmosphere was complete with a mummy, an ornate throne, and Cleopatra's barge floating down the Nile River.

Robert W. Jones

My congratulations to the class of 1965. Your graduation comes at a time when the rate of change in society is the most rapid in history. The challenge to you is to help direct the change to worthwhile goals while keeping the fine balance between the needs of society and those of the individual. HOMECOMING

Homecoming is traditionally the highlight of Brooklyn's Football season. The ceremonies, taking place during half-time are planned well in advance, and this year's were as exciting and anticipated as those of the past.

A school assembly introduces the candidates to the student body, and the queen, elected by popular majority is announced for the first time the night of the game.

The beauty of the candidates and their escorts combined with the theme of the band contributed to make a homecoming well worth remembering.

Members must maintain high scholastic averages and can be distinguished by keys, awarded by the organization for active participation.

FUTURE TEACHERS OF AMERICA

Future teachers as well as all students planning on college education are welcome members of Future Teachers of America. The organization serves a worthwhile purpose in providing students with the opportunity of observing and teaching lower grades in classes at Brooklyn. Films, speakers, and a Pot Luck supper for Alumni are all established activities and entertainment in which the members participate. Mrs. Scheu, sponsor, organizes trips to colleges and projects for scholarships as well as being the greatest reason for the club's success in our school.

The purpose of Future Nurses is to help any one interested in nursing to decide whether nursing is the vocation for them.

Through field trips to various schools, guest speakers, lecturers and movies, each member is given an excellent idea of what nursing is really like.

Future nurses is not only open to those interested in nursing, but also to anyone considering a career in any phase of medicine.

Newly organized this year to promote Brooklyn's school spirit, Pep Club presents amusing skits at pep rallies. Membership was limited and prospective members were required to submit applications in order to insure active participation. Due to Mr. Koze's great support in getting the club started, Pep Club appears to be becoming a well-established benefit to our student body and athletic programs.

This year's Drama Club has been one of the most active organizations at Brooklyn. The Three-Act Play and other productions provide funds for visits to performances at various theaters. Skits and speakers entertain members at meetings as well as enable them to display their talents. Mrs. Robezniek serves as their able and hard-working sponsor.

Service projects are the activities of the Girls' Club. The most popular project every year is the Christmas Formal. Charity is in the hearts of the girls during the Thanksgiving and Christmas holidays. Charity is said to begin at home but the Girls' Club feels it begins in the home of a needy family. There is a variety of things to do at the meetings.
